NEWS RELEASE

Hundreds of BillQuick Users Attend the “Keys to Success” Conference in Las Vegas

Los Angeles, CA – June 26, 2008 BQE Software Inc., the leading provider of Time Tracking & Billing Software, is holding their first User Conference in Las Vegas, Nevada. The conference has attracted BillQuick customers from around the globe.

Keys to Success conference sessions are designed for Principals, Partners, Owners, Managers, Project Leaders, Billing Staff, IT Professionals, Bookkeepers, Accounting Staff, Time Keepers and Office Managers. Sessions help business owners and managers learn about managing their business more efficiently with BillQuick products. Virtually everyone attending this conference will take away practical information and insights they can apply to their day-to-day operations. Sponsors such as software giants Microsoft and Intuit are at the conference to network with BillQuick Customers.

Attendees will hear keynote speeches from Terry Paulson, Greg LaFollette and BQE Software CEO, Shafat Qazi. Furthermore, attendees will have the opportunity to interact and provide feedback to BQE's management in roundtable discussions, deepen their BillQuick knowledge with hands-on software training, and network with other professionals.

"Momentum for the BillQuick User Conference grew," said Shafat Qazi, CEO of BQE Software, "from an overwhelmingly positive response from our users over the past years. This two-day conference is an excellent opportunity for us to meet with our customers and provide them in-depth training and a forum to network with their peers and learn from the best practices."

About BQE Software: BQE Software's time billing and project management solutions create competitive advantage for professional services providers such as attorneys, engineers, architects, CPAs and IT consultants. BQE's flagship product, BillQuick, combines precision time tracking and intelligent invoicing with powerful project management and reporting tools -- together delivering a complete solution that is priced to deliver quick return on investment. Widely regarded as the most comprehensive time billing system on the market today, BillQuick integrates seamlessly with popular accounting programs including QuickBooks, Peachtree and Microsoft Office Accounting.
