NEWS RELEASE

BQE Software Achieves Gold Certified Partner Status in Microsoft Partner Program

Networking Infrastructure Solutions
ISV/Software Solutions

Los Angeles, February 3, 2009: BQE Software Inc., the makers of BillQuick®, time tracking, billing and project management solutions, announced today that it has achieved the Gold Certified Partner status in the Microsoft Certified Partner (MCP) program with a competency in ISV/Software Solutions.

As a Gold Certified Partner, BQE Software Inc. is recognized as demonstrating the highest level of competence and expertise with Microsoft technologies and is authorized to provide consulting, training, implementation, maintenance and support when assisting its customers.

"Microsoft Gold Certified Partner status is an important milestone for BQE Software. It underscores BillQuick's leadership role within time billing and project management solutions and our expertise and strong relationship with Microsoft," said Shafat Qazi, Founder & CEO of BQE Software Inc. "We will continue to focus on leveraging new technologies to develop cutting-edge, reliable, scalable and cost-effective software solutions to businesses throughout the world."

The Microsoft Partner Program represents Microsoft's ongoing commitment to the success of partners worldwide. The program recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful. The Gold partner level is the highest level offered by Microsoft to the best of the breed technology companies.
